

PROVISIONS

Ellerys is self catering accommodation and visitors will need to bring the normal groceries which are essential for everyday life. There is a SPAR supermarket just a couple of minutes walk from Ellerys. On the outskirts of Padstow, and short drive away, there is also Tesco; if you place your on-line order in advance, they will deliver to Ellerys on the morning following your arrival.

Outside Padstow, on the road to Crugmeer, Padstow Farm Foods – 01841 533 060 – have a shop where you can buy vegetables, salads and herbs from their market garden. They also sell local products such as cream, butter, cheeses and eggs as well as free range poultry and their own farm reared lamb, beef and pork; we recommend a visit.

Fresh fish and locally-caught crabs and lobsters can be bought at the shops on the quayside by the old railway station (5 minute's walk away).

We provide the following items for your stay at Ellerys:
